PROPERTY DESCRIPTION

This extraordinary 5 bedroom, 3.5 bath Contemporary Home was custom designed and crafted by Acorn and Deck House Homes* in 1996. It features 4883 square feet of elegant living space (includes 479 SF of storage space) tucked away on a serene and private 5-acre wooded cul-de-sac lot. This Acorn “Country House” is just minutes to Fairfax City, the Government Center, Fairfax Corner, Wegmans gourmet grocery, George Mason University’s main campus, as well as Interstate 66 & the Fairfax County Parkway for convenient commutes throughout Northern Virginia and the Washington, D.C. Metro area.

- Oversized 3 car side load garage finished with GarageTek organization and storage system, epoxy-coated floor
- 3 Zone HVAC
- Western Hem-Fir Framing Lumber— drier, straighter and stronger than the Eastern S.P.F. commonly used in Eastern U.S. construction.
- Laminated Douglas Fir Posts and Beams-Stronger and more dimensionally stable than solid beams of similar size.
- Solid Plywood Structural Sheathing-3/4” T &G on floors and 1/2” on walls and roof
- 10” Deep Roof Rafters with R-32 insulation in cathedral ceiling areas
- Western Red Cedar Siding - clear and knot-free - for a distinctive appearance and continued durability
- 10” Cedar Exterior Trim Boards
- Pella “Low-E” Windows and Doors
- Velux Skylights
- Multi-level Deck with hot tub and screened porch with vaulted ceiling

- Stanley Alarm System – monitored
- The Living room boasts a wall of windows which bring in loads of natural light and a vaulted ceiling. Custom Silhouette blinds drop down for privacy if desired. This welcoming space is complimented by a gas fireplace with slate tile surround, recessed lighting and speakers plus a second-story loft overlook.
- The elegant adjoining Dining room has custom lighting, a butler’s pantry with wet bar, mini fridge and wine rack, and transom-topped atrium doors leading to the multi-level deck. All combine to create an ideal setting and perfect flow for entertaining.
- The huge Kitchen is well equipped with 30” double wall ovens with convection, a built-in microwave, gas cook-top with down draft, dishwasher and side by side refrigerator with dispenser, Corian counters and ceramic tile backsplash. A large extended Breakfast bar with a double sink, nearby pantry and second veggie sink with an appliance barn complete this spacious working area. Seasonal views of the lovely flagstone patio through transom- topped windows and atrium door make this an inviting room at any time of day.
- The warm and cozy Family room adjacent to the kitchen area features a vaulted high ceiling with exposed beams, recessed and eyeball lighting and a ceiling fan. A wood burning fireplace with mantel, built-in Entertainment cabinet, ceiling speakers, desk station and solarium with atrium door to screened in Porch and Deck complete this central room.
- Main Level Master Suite with a double door entry opens into a spacious dressing area with customized walk-in closet and standard closet. The vaulted ceiling bed chamber has a relaxing ceiling fan, exposed beams & atrium doors to the rear Deck and hot tub. The luxury Master Bath is built to pamper with a raised jetted soaking tub, separate glass enclosed shower, skylights, ceiling fan, a double-sink vanity and linen closet.
